Dolphin Watching is daily attraction in Pamilacan Island. Lucky ones have the chance to see Sperm Whale and Bryde's Whale during the month of March, April, May and June.

Highly skilled spotter will accompany all trips, which serves as a guide in looking for majestic creatures in their natural habitat.

This was package mainly to help the fishermen of Pamilacan Island whose main source of income used to be catching dolphins, Bryde's Whales, whale sharks and manta rays.
